ST. JOSEPH'S ANGLO-CHINESE SCHOOL SPEECH DAY 2016

Mr. Koo Yee Yin, Irving, SBS, JP, students were present.

The annual Speech Day for St. Joseph's Anglo-Chinese School for the academic year 2015-2016 was held during the afternoon of 27th May 2016 at Rev. Bro. Paul Sun Memorial Hall. The Guest of Honour, Dr. Leung Lim Kin, Simon, School Managers, Supervisor, Mr. Koo Yee Yin, Irving, SBS, JP, Principal, Mr. Poon Wing Keung, teachers, parents and

The proceedings were begun with an opening prayer led by Rev. Fr. Dino Doimo, School Manager. A welcoming speech and school report were then given by the School Supervisor, Mr. Koo, and Principal, Mr. Poon, respectively.

The keynote speech of the afternoon was delivered by a distinguished alumnus of St. Joseph's, Dr. Leung Lim Kin, Simon, Vice Chairman of NetDragon Websoft Inc., Chief Executive Officer of Huaya Education Technology, and Chairman of the Board, Promethean World Limited. Dr Leung is an insightful leader who has spearheaded the development in IT and telecommunications in the Asia Pacific region for over 30 years. In his speech, Dr. Leung encouraged graduates to have the courage to take risks and seize each opportunity in their future endeavours. He also stressed the importance of embracing lifelong learning in order to get prepared for the opportunities.

The speeches were followed by the distribution of the graduation certificates and academic awards to the graduates. We would like to take this opportunity to express our gratitude to our Guests of Honour for being with us on this extraordinary and memorable occasion.

Farewell Catholic Rites for Form 6 Students

Group photo with Principal Mr. Poon and Class Teachers

22nd January, 2016 was a special day for our form 6 students as it was the last school day in their secondary school life. The school has organised a farewell Catholic rites for all the form 6 students. During the rites, Fr. Joseph Chan Wing Chiu, who was also our alumnus led us to pray and then gave our form 6 students some spiritual support and guidance. He reminded students to pursue their dreams with the help of God, then they would not have any fear even if they may face difficulties in the future. Finally, our principal, Mr. Poon also congratulated students on their completion of secondary years and encouraged them to try their best in their HKDSE. All of the guests, students, teachers and staff enjoyed this very unforgettable day.

Elderly Academy 長者學苑

In order to encourage our students' sense of responsibility and the enthusiasm of helping the needy, the Elderly Academy was held so that students could take this opportunity to serve elderly in our community. This year we have organised some workshops for the elderly, namely flower arrangement classes, healthy eating seminar as well as workshop on Chinese tea culture. Both our students and the elderly enjoyed the activities so much.

Enhanced Smart Teen Training Camp 多元智能躍進計劃

40 students from form 2-3 joined a Enhanced Smart Teen Training Camp at Pat Heung Fire Services Training School. The training camp lasted for 5 days and the training included knowledge on fire services safety, the use of fire extinguishing tools, as well as some training on emergency searching and rescuing. On the last day of the training camp, there was a passing out ceremony for the students to meet their parents and teachers after this fruitful and challenging 5-day training.

The IET/MATE Hong Kong Underwater Robot Challenge 2016

Our school's Robotics Team participated in the MATE (Marine Advanced Technology Education) Hong Kong Underwater Robot Challenge 2016 held in April. Students were required to design an underwater robot and to take part in contests by completing various underwater missions. There were 26 Hong Kong secondary schools contested in this competition, such as La Salle College, Our Lady of The Rosary College, KGV, etc. Our team strived impressively and got the Overall First Runner-Up in the "Ranger Class" (high difficulty level).

After getting the First Runner-Up prize, our school's Robotics Team was invited to join the International MATE Competition which would be held at NASA Johnson Space Center's Neutral Buoyancy Lab in Houston, Texas, USA during late June 2016.
