The keynote speech of the afternoon was given by a distinguished alumnus of St. Joseph's, Dr. Chen Pak Lam, Sammy. Dr. Chen is the Consulting Pathologist in the Chemical Pathology Laboratory at Yan Chai Hospital and Associate Consultant in the Department of Pathology at Princess Margaret Hospital. He is also the Honorary Clinical Assistant Professor in the Department of Chemical Pathology (HKU) and the Department of Pathology (CUHK), making a great contribution to medical development. In his speech, Dr. Chen shared his invaluable life experiences. He reminded graduates to equip themselves with 'SJACS' – Spirit quotient, Joint-force quotient, Adversity quotient and Computer quotient for the pursuit of their dreams.

The speeches were followed by the distribution of the graduation certificates and academic awards to the graduates. The school community would like to take this opportunity to express our gratitude to our guests for their assistance and patience during the inevitably lengthy process.

After the formal component of the proceedings ended, the audience was pleased to be entertained by the excellent performances of the students from St. Joseph's Anglo-Chinese School and its feeder primary school. This began with a brilliant performance of the primary section's drama. Then, the representatives of the graduates impressed the audience with their amazing band show.

A rousing rendition of 'Auld Lang Syne', which reminded our graduates of all their happy days in St. Joseph's, brought the ceremony to a blissful end.

F6 Farewell Prayer Meeting

Before our Form 6 students leave school and seat for the HKDS Exams, our school has arranged a very touching occasion for them, that was the Form 6 Farewell Prayer Meeting 2018. After some biblical readings, Fr. Mak's sermon, songs and prayers, two student representatives were invited to share their wonderful memories in SJACS. After loads of tears and laughters, the highlight of the event was a surprise song performance from our cute Form 1 boys which was really moving and heart-warming. The activity was ended by a candle-lighting rite, to symbolize our Form 6 students' dazzling goals in their HKDSE and the hope to pursue their dreams.
