63rd School Anniversary cum St. Joseph's Feast Day Celebration

St. Joseph's Feast Day was celebrated together with the school's 63rd Anniversary on 19th March 2021. A rite was held in the school chapel which was broadcast live to Form 6 students in their classrooms and Form 1 to Form 5 students attended the rite at home via Zoom. The prayer rite was officiated by Rev. Fr. Aloysius Mak Ying Kin, with the supervisor, the principal, the vice principals, the assistant principals and Catholic teachers attending the rite in the chapel. Due to the pandemic, other teachers and students could only take part in their classrooms or at home.

The Religious and Moral Education Committee also uploaded a celebration video on the school website to commemorate the school's 63rd Anniversary. We would like to extend our heartfelt gratitude to Fr. Mak, who officiated the rite and gave a sharing about the Feast Day of St. Joseph's in both the rite and video.

Brother Paul Sun Memorial Rite

Due to the suspension of face-to-face classes, Brother Paul Sun Memorial Rite took place on 15th March 2021 in the Campus TV room and was broadcast to the whole school on our YouTube channel. Unfortunately, grave visiting had to be cancelled. The memorial rite included Catholic rituals, bible sharing and video sharing. We were honoured to have filmed an interview with Professor Rocky Tuan Sung Chi, a remarkable alumnus. In the video excerpt, he reminisced about his precious campus experiences with Brother Paul Sun.

We were delighted to have organised a campus tour for 60 students and parents from our feeder primary school, SJACPS, on 23rd April 2021. They received the warmest welcome from our principal, vice principals, teachers and all our student helpers. The tour aimed to let our visitors learn about our school history, facilities and students' life. During the tour, we showed them the Bio-Eco Corner, the gymnasium, the Campus TV station and the newly-installed interactive whiteboards in the classrooms. The students from SJACPS also watched demonstrations of robots by our Robotics Team and gained hands-on experience of conducting Chemistry and Physics experiments.

Prayer Meeting for Graduates

On 20th March 2021, Rev. Fr. Aloysius Mak Ying Kin, Principal Poon, teachers and Form 6 students (2020-2021) assembled at the school covered playground. It was not only the last chance for the class of 2021 to attend a prayer meeting at SJACS as students, but also an official and formal way for Rev. Fr. Mak Ying Kin, Principal Poon and teachers to bid farewell to them. While the sharing of Rev. Fr. Mak Ying Kin and F.6 class teachers were memorable as always, the sentimental sharing by Anson Lam from 6D highlighted the event. It was heartwarming to learn how he has metamorphosed from a passive and timid boy into a confident and outspoken young man. The occasion ended with the rite of the candlelight which symbolised our blessing to the class of 2021.

► Our principal, Mr. Poon, encouraged Form 6 students to do their best.

Fai Chun Charity Sale

The long-awaited Lunar New Year Fair in Fa Hui Park was sadly cancelled due to the COVID-19 pandemic. In order to celebrate Chinese New Year with students as well as to raise funds for Caritas, our school's Religious and Moral Education Committee organised a fai chun charity sale on 5th February 2021. The fai chuns, with phrases expressing good luck and prosperity, were written by teachers from the RME Committee on the eve of the event. We were pleased to see that students participated in this charitable event joyfully during the festive time.

▲ Students bought fai chuns from teachers at the charity sale counter.

▲ Principal Poon and a participating student exchanged festive greetings at the charity sale.

“家庭 Family”

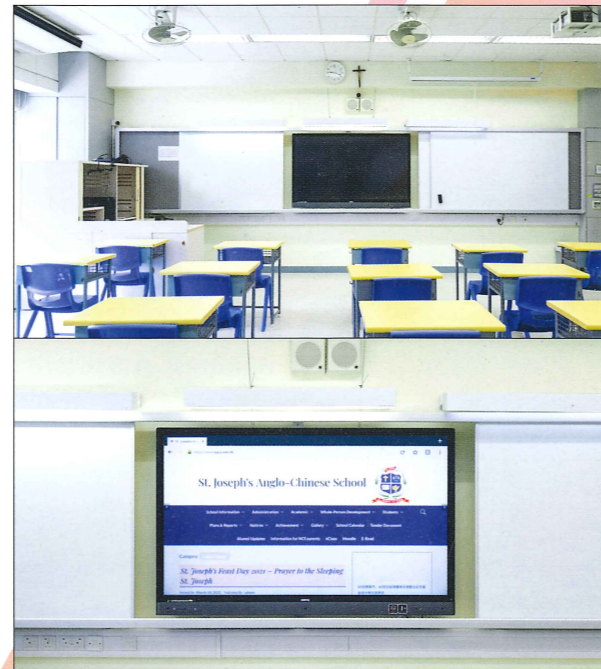

「作子女的，要孝敬你的父親和母親；作父母的，要用主的規範和訓誡，教養子女。」（弗 6:2-4）

“Children, obey your parents. Parents, bring your children's up with training and instruction of the Lord” (Ephesians 6:2-4)

Interactive Whiteboard Installation

On 11th February 2021, our school took another huge step in facilitating e-learning. The installation of interactive whiteboards, which was financed by Quality Education Fund, commenced and all the blackboards in classrooms were replaced by this advanced hi-tech device. It took a lot of work for installation, but we knew it was worth the effort when we heard students' exclamations when using the interactive whiteboards. Everyone was so impressed as teachers could then share notes written on the board through QR codes and even record teaching videos. Functions and apps of the interactive whiteboard will be updated from time to time. So the best is yet to come!

▼ Newly installed interactive whiteboards are now used in all the classrooms.

▼ The flag-raising ceremony was held on National Security Education Day.

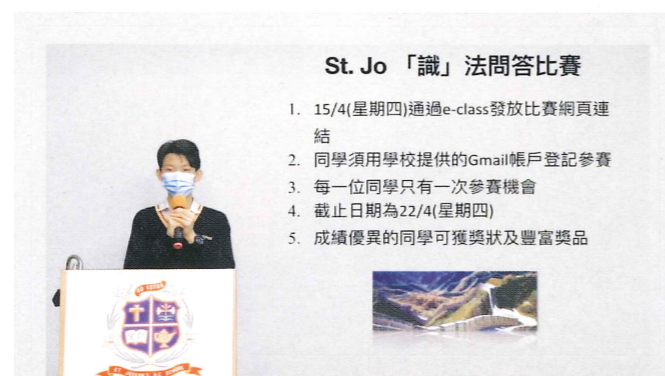

National Security Education Day

National Security Education Day was held on 15th April 2021 with an aim to allow our students to learn more about the importance of national security from different perspectives. The highlight of the event was an interview with our principal, Mr. Poon, the head teacher of the Religious and Moral Education Committee, Mr. Tsang, and the head teacher of the Civic and National Education Committee, Mr. Chan, who shared their thoughts on the significance of national security from the perspectives of school administration, Catholic social teachings and Chinese History studies. The event was wrapped up by an online quiz about the Basic Law organised by the Student Association.
