

Musical Theatre Performance - Game Play

24th – 25th May 2024

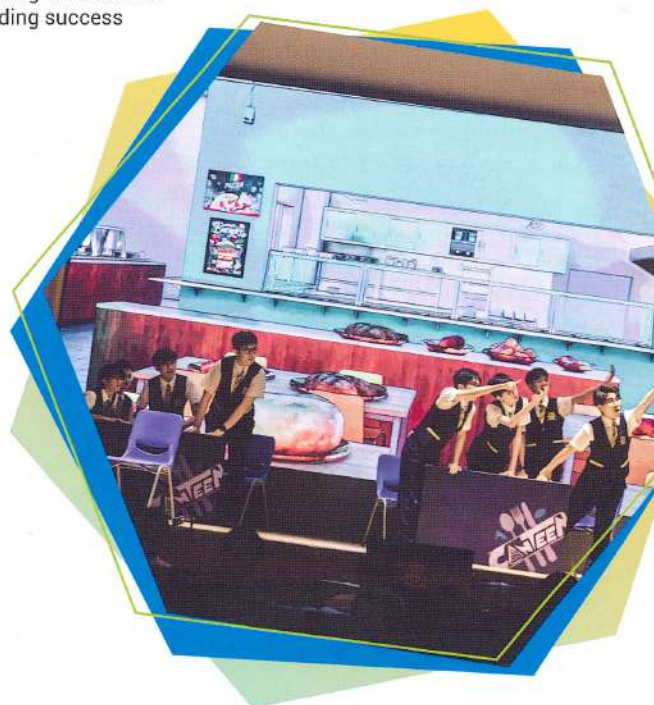

Our school's English Musical Theatre Team has reached a milestone this year. The long-anticipated musical 'Game Play' was eagerly performed by our talented students on 24th and 25th May 2024. We were honoured to have witnessed the fruits of our labour of such a marvellous performance alongside our esteemed guests. Our school supervisor, principal and staff welcomed school managers, principals and teachers from different schools, our alumni as well as parents and students to the premiere on Friday evening. Primary school students, parents and teachers joined us the next morning. We are proud that the seedling idea of the musical came to bountiful fruition, and the efforts put in by our students received high praise from the audience.

66th School Anniversary

19th March 2024

We celebrated the 66th anniversary along with the feast day of St. Joseph, our patron saint. On this momentous occasion, students, teachers, parents, and alumni gathered together to participate in the school's anniversary festivities.

The celebration commenced with a Thanksgiving Mass, presided over by Rev. Zaw Aung. In his sermon, Father shared the inspiring life of St. Joseph and encouraged everyone to emulate his virtuous example.

Following the Mass, a series of celebratory events unfolded within the school premises. These included inter-house competitions, film screenings, a music showcase, a Red Cross health check booth, and the highly anticipated Teachers' Football Exhibition Match. The day was celebrated with the distribution of ice cream, enjoyed by all students and staff alike.

The music showcase, featuring our talented students and the Wind Band, became a highlight of the anniversary celebration. Their exceptional musical abilities elevated the festive atmosphere, leaving every audience member enthralled.

Yet, the unforgettable moment came during the Teachers' Football Exhibition Match. Our energetic and passionate teachers took to the field, showcasing their remarkable football skills. Rev. Zaw Aung also participated and scored a brilliant goal. The entire school community revelled in the lively spirit of the anniversary.

St. Joseph's Anglo-Chinese School's 66th anniversary was a day of joy, camaraderie, and shared memories—a fitting tribute to our school's rich history and the legacy of St. Joseph.

Graduation Ceremony

7th June 2024

The Graduation Ceremony took place on 7th June 2024 at the Rev. Bro. Paul Sun Memorial Hall. We were privileged to have Dr. Yim Yuk Lun Stanley, BBS, JP, the founder, Chairman, and Managing Director of S.A.S. Dragon Holdings Limited, as the Guest of Honour.

Dr. Yim Yuk Lun Stanley, BBS, JP, graduated from SJACS in 1976. He is a successful entrepreneur and a generous philanthropist who is actively involved in supporting education and public welfare projects. His contributions to various aspects of society have had a positive and far-reaching impact on countless individuals in his company and the community. In his keynote speech, Dr. Yim highlighted the inevitable setbacks and challenges that arise along life's path. He emphasised the significance of perseverance, drawing inspiration from Mr. John Lee, the Chief Executive of HKSAR as an exemplary figure. Dr. Yim encouraged graduates to maintain unwavering determination and dedicated focus to attain success. Additionally, he stressed the value of engaging in community service and embodying 'benevolence', a principle of the school motto.

Following the speech, the graduates were presented with their well-deserved certificates and awards. The audience was enthralled by captivating performances by the talented Latin dancer and K-pop dancers from our feeder primary school, and the impressive show by our school Wind Band.

The ceremony concluded with an uplifting rendition of the school song and a heartwarming montage of photographs, evoking cherished memories of the graduates' time at St. Joseph's. The atmosphere was filled with pure joy, leaving everyone in a state of bliss.

義德 Justice

「他愛護正義和公理，他的慈愛瀰漫大地。」(詠 33:5)
"The LORD loves justice and right and fills the earth with goodness." (Psalms 33:5)

愛德 Love

「你們該彼此相愛，如同我愛了你們。」(若 13:34)
 "As I have loved you, so you also should love one another." (John 13:34)

Academic Knowledge Contest

20th – 24th May 2024

The Inter-house Quiz was an exciting event that took place among different forms in the school. It aimed at testing our students' knowledge across a range of subjects and topics.

The event was divided into two sections: individual and house representatives' sections. In the individual section, students participated using iPads, and their scores were tallied for their respective houses. They had to answer questions covering various subjects, including Chinese, English, Mathematics, Science, Geography, History, among others, with accuracy and speed to earn their houses the maximum number of points.

In the house representatives' section, student representatives from the four houses were invited on stage to answer the questions. This section was the most exciting part of the quiz as it pitted the different houses against each other. The students worked together to answer the questions, and the house with the highest points was declared the winner.

Among all the forms, Red House emerged as the overall winner, claiming the Forms 1, 4, and 5 championships. Yellow House and Blue House won the Form 2 and Form 3 championships respectively. Congratulations to all the winning houses and enthusiastic students who participated in this event.

The Inter-house Quiz served as a great platform to foster healthy competition among students and encouraged them to delve deeper into different subjects. It also helped promote teamwork and hone collaboration skills as students united to represent their houses. Through this event, a strong sense of community and belonging was nurtured among our students.

English Week

22nd -26th April 2024

Our annual English week was held from 22nd to 26th April 2024, offering a lineup of amazing events based on the theme of the upcoming international sports event - Paris Summer Olympics.

Sipping on refreshing beverages and snacking on scrumptious treats, students gathered at the English café to practise their conversational skills with foreigners from different backgrounds. Once again, this has proven to be one of the highlights of this 5-day event as some kept queuing up repeatedly not just for the free snacks, but for the opportunity to hone their language proficiency. Another popular spot was definitely the popcorn stall which served caramel and rainbow popcorn for free. The buttery smell attracted all members of the school to try out the freshly made dessert after lunch.

To celebrate 2024 Paris Olympics, we prepared various interactive games featuring the theme of sports to expand students' vocabulary. Students tested their spelling skills in the Spellathon booth while others trained their concentration and speed at the Word Search booth. Penmanship Competition was a not-to-be-missed opportunity especially for those who can write neatly and beautifully. There were two categories, senior and junior, each focusing on a different poem related to sportsmanship. Through writing, students not only demonstrated their artistic sense, but also learnt to appreciate the rhythm and beauty behind the lines of the poems.

On the last day of the English Week, we put on a concert in the hall, showcasing the musical talents of both teachers and students through singing and instrumental performances. Mr. Poon, our principal, wowed the crowd with his amazing voice and energy through singing the classic 'Yesterday Once More'. The audience got even

more excited when the voice-guessing game was introduced. Voices of various staff members singing 'A Whole New World' were recorded and students were keen on identifying the familiar yet unusual voices the special rendition offered. Though only a few students could recognize all teachers' voices perfectly, the concert was a complete success as it transformed the hall into a lively and engaging space filled with music, laughter and applause.

Blending physical excitement, intellectual challenges as well as cultural immersion, this year's English Week promised to be a thrilling experience for students to express themselves in English language. Thanks everyone for your support and we look forward to exploring the fun of English with you all again next year.
